Group Insurance Member Enrolment

- ☁ **Available in SaaS**
- ⚡ **6 Weeks Implementation**
- 🌐 **Fast Time to Market**

Purpose built digital solution for Group Insurance onboarding. It is a fully configurable solution designed to accelerate the employees onboarding process and manage its related multi-party relationship (broker / company / employee) through an intuitive portal. The solution automates end-to-end and seamless processes from forms to electronic signature and integrate all the data directly in your information system.

Streamlined Onboarding & Efficiency

Reduce onboarding time and costs with Veggo's fully automated solution.

Enhanced Visibility & Control

Monitor onboarding progress easily with our dashboard for a seamless process.

Empowered Business Users & Self-Care

Tailor the system to meet needs and empower users with self-care options.

Data Integrity & Automation

Automate data verification, ensuring completeness and integrity in onboarding.

Elevated Customer Experience

Boost satisfaction with a streamlined portal for brokers, companies, employees.

Agile & Integrated Solution

Enable seamless integration, fostering business agility in onboarding.

Digital Transformation

Replace paper processes with our digital platform for smooth operations.

User-Friendly Portals & Dashboards

Provide user-friendly interfaces for efficient onboarding & management.

Seamless Integration & Setup

Seamlessly integrate with external systems using our configurable solution.

Data Integrity & E-signatures

Ensure data accuracy with our tool and speed up with E-signatures.
